ORIGINAL

On February 19, 2014, the Coin Phone Management Company ("CPMC" or "Applicant") filed a request to cancel its Certificate of Convenience and Necessity ("CC&N") to provide customer owned pay telephone ("COPT") service. The Commission granted the Applicant a CC&N to provide COPT service in Decision No. 63605, dated April 24, 2001.

In the application, Ms. Sharon Ferguson indicates CPMC no longer provides, or never did provide COPT service in the State of Arizona and requests cancellation of its CC&N. On March 10, 2014, Ms. Ferguson filed an amended application indicating she waived her right to a hearing and to receive notice of a hearing in order to cancel the CC&N. Additionally, Ms. Ferguson indicated she is the authorized person to file the application.

The Compliance Section of the Utilities Division indicates that the Applicant is in compliance. The Consumer Services Section has not received any complaints, opinions or inquiries about CPMC. The Corporations Division reports Coin Phone Management Company is not in good standing for failure to submit its 2013 annual report, due on January 16, 2013 or its 2014 annual report, due on January 16, 2014.

Staff recommends that the application to cancel the CC&N be approved. Upon cancellation of its CC&N, the Applicant will no longer be authorized to provide COPT telecommunications services in the state of Arizona and therefore, will not be subject to any of the requirements of Decision No. 63605.
